Chapter 1 by Unspoken Wordz

Something not only my heart feels
But my mind doesn't doubt and fear
To something I hold close and keep near
Is there such a thing that is for me anywhere
If ever this something reaches me I'll happily surrender every lil piece of me Bkuz I'll finally be
complete u see
I'll have the missing piece to me
That's how real this something will forever feel to me
Til such a thing appears
This will continue to be
Dedicated to something real
